# SIGNWALK

Signwalk est un système très ingénieux, qui permet de créer un chevalet pratique et esthétique avec 2 simples panneaux. Lorsque vous ne l'utilisez pas, fermez les panneaux l'un contre l'autre, face contre face, de sorte que les parties imprimées soient à l'intérieur, ainsi vous le protégez des rayures lors du transport ou du stockage. Il existe un panneau standard de 700 x 500mm découpé en forme mais tout autre format est possible.
